

Have your say...

As you are aware, we are currently still renovating your home to make it a better place for us all, we apologies for any disturbances or noise that may occur during this. We do aim to make you all as comfortable as possible so if you have any suggestions please let us know.

In the last residents meeting it was discussed that residents would enjoy baking cakes, this has been implemented for Easter. We do aim to put activities in place that residents have asked for. If there are any other activities you can think of, please have your say...

Apollo Fountain - Dudley

Do you recognize this sculpture and where it is?

The model was of an international gymnast and basketball player Fred Starkey (built 1939)

Fredrick John Starkey was a British amateur athlete who in 1947 represented England at basketball and gymnastics. At the age of 28 he was the model for a sculpture of the Greek God Apollo by William Bloye, which now stands in our very own town of Dudley.

Can you see Dudley Castle in the background?
