

Have your say...

To all friends and families visiting Camelot, it would be nice if you could please encourage residents to sit in the garden and enjoy the lovely weather. If you would like any assistance with this please let a member of staff know.

The ongoing work on the home is near to complete and as you can all see it is coming on nicely.

If there are any activities you would like to do over the next upcoming months please let a member of staff know, staff will try their best to do new activities each month.

Please let us know about new things that are happening within your lives, we would love to share this with everyone. Marion has proudly become a great grandmother in May. Look at her with her great grandson Jacob

## Do You Recognise any of these?

*The Spiers home furnishing store in Dudley High Street in April 1970.*

*The Hen and Chickens Hotel in 1982. Locals would pop into **The Hen and Chickens Hotel** for a quick pint and a chat in December 1982. The popular watering hole dominated the corner of New Street and Castle Street in Dudley*

*Market Place.*

*Dudley market place pictured in the early 1980's. You can see **PIAGE** and **H. Samuel**. The trueform shoe shop is also being rebuilt*

## Do you recognise this picture?

An exquisite bronze horse, by Andrew Logan, from classical mythology- 'Pegasus' sits on Scotts Green Island (right by our carehome). The Pegasus symbolises hope for the future and the new Millennium.

The glass inlay on the wings makes reference to the glass industry past and present and the route to the historic Glass Quarter nearby. The bejewelled plume that crowns the mane was designed and cut at the renowned Stuart glassworks, adjacent to the recently restored Redhouse Cone in Wordsley

To all our families to Camelot

Can we give you a reminder when bringing in clothes can you please label them as many of our ladies have same clothes, but different sizes and mistakes are being made when not labelled?

We would like to give a big thank you to all staff members who have been popping in to take service users out to merry HELL to their own pub also a walk over park no of you who do this get paid and you come in your own time we want to give you a big THANK YOU

## What were we up to in May?

*We were joined in May by Debbie Dance to movement for a sing along and chat*

*We were also joined by Hatti. Residents enjoyed a little exercise. This was something different for residents. We are hoping to make this activity a regular thing at Camelot*

*The Raffles were won by Michelle (local nurse) and Teresa (housekeeping). Thank You everyone who brought a raffle ticket*

*Residents had a visit from the hairdresser Nicky. We are also going to have weekly visits from her. Everyone loves to look their best*

*Cakes were baked in May for residents to enjoy*

## PIMP UP YOUR ZIMMA

*In May we joined the PIMP UP YOUR ZIMMA Project*

We used recycled objects around the home to decorate the Zimmer frames. The residents enjoyed doing this, it also allowed them to express their personalities. The pimp up your zimma project is aimed to reduce falls around the home as well as helping everyone recognize their Zimmer frame easily.

AND WE ARE PROUD TO SAY **WE WON THE PROJECT**

Our Bride and Groom Zimmas were the winners across the borough!  
We would like to thank all staff for their participation and hard work with creating all the residents own preference Zimmer frames. Well Done Guys, you worked really hard and it paid off with a win!
