

Keeping you In the Know

Reminiscence books have been introduced to each room. These will be for residents to look through. Photos and memories will be added to the books by staff however if families/friends would also like to add to these please feel free too.

You will find that small pictures will be beside the door of each resident's room. These pictures are resemblances of each person for them to identify their own door.

Whiteboards will be found around the home to help with communication. Please feel free to use these at any point if you feel these are needed whilst visiting.

We would also like to take this opportunity to apologies for the ongoing decorating within the home. We hope youy understand that this is to improve the residents living areas.

Raffles

We have on going raffles taking place each month!

OCTOBER RAFFLE:

In October we Raffled a big sweet Monster, this was won yet again by one of residents at Camelot Thelma Smith. Thelma must have the Halloween charm as she also won this prize last year! Well Done Thelma!

Raising Funds

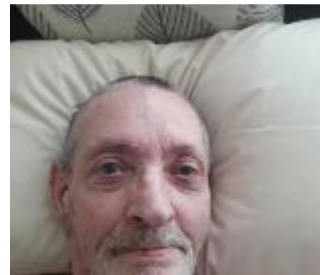

We also raise funds throughout the home doing activities!

In October we also held a cake and Coffee morning, inviting families and friends of residents into the home to chat to staff. This was a great opportunity for the resident's families and friends to advise staff of anything they wish to discuss regarding Camelot Care Home. It was also another chance to help us raise money for the resident's activity Fund.
